## WHO WE ARE

Sendero Restoration Services is a national commercial roofing and insurance loss restoration company with more than 40 years of combined general contracting, insurance loss restoration and commercial roofing experience. Our 24/7 consulting team travels to areas adversely affected by weatherrelated events and works directly with commercial property owners to restore their roof systems to their original condition, or in many cases, even better. Sendero will evaluate your roof for damage at no cost or obligation to the building owner. Our services include all forms of insurance loss and storm damage restoration, commercial and multi-family roofing and general contracting. Our mission is to exceed our customers' expectations by providing the highest quality, innovative roofing solutions with on-time results and minimal impact to our customers' day-today operations.
